Traffic-interfering work may slow traffic on Interstate 5 north of Williams

Williams - The California Department of Transportation (Caltrans) is alerting motorists that traffic-interfering work may slow traffic on Interstate 5 from State Highway 20 to Lurline Avenue near Williams.

Starting June 11, motorists can expect northbound traffic reduced to one-lane Monday at 7 a.m. through Saturday at 11:45 p.m. Beginning June 26, motorist can expect southbound traffic reduced to one-lane Monday at 7 a.m. through Saturday 11:45 p.m.

Baldwin Construction is scheduled to begin work on an \$879,500 project to repair bridge approaches and departures at Lurline Creek, Salt Creek and Freshwater Creek. This project is scheduled for completion in late September.

Motorists are advised to use caution when traveling through the construction area, watch for trucks entering and exiting the roadway and to "Slow For The Cone Zone".
